WEDNESDAY, MAY 23, 1866.

Attorney-General Speed had a conference with the President last Saturday. It appears that Mr. S. reiterated his opinion that Jeff. Davis can only the question of jurisdiction; and stated that he feared the indictment found recently at Norfolk, under the direction of Judge Underwood, would not stand the test of judicial criticism, and that it might be necessary to abandon it, and have another found by another grand jury.

During the interview, the President repeated the substance of a recent coution of the State. versation with Chief Justice Chase, who declared he could not hold court in Virginia until martial law was abrogated, and he was assured that civil law was supreme in matters where the | whilst there, called upon Miss Evans, civil courts have jurisdiction. The the author of "Beulah." He says: President stated that in order to settle the matter he would yield to the suggestion of Judge Chase and issue a proclamation declaring martial law abregated rate combination of case, elegance and before this Court convenes in Richmond.

Civil Biours .- The assistant commission or of the Freedmen's Bureau for the State of Alabama has informed the Mayor of Selma "that the chain garg, as a mode of pumishment for freedman, must be discontinued; unless this be done the authorities will b proceeded against under the civil rights full. The maistant commissioner is determined to put a stop to a punishment where in so gross a distinction is made on account of color .- Wash, Chronick,

The "chain gang" at Selma was es tablished with the consent of the military. It is an institution peculiar to many cities, and does not apply to ne groes alone, but to whites as well. The commissioner at Selma was anxious, apparently, to find fault.

----Forney in his letter to the Philadelphia Press of the 17th, says: "Informa tion upon which full reliance can be placed, proves that Andrew Johnson is resolved to remove General Howard, the Christian chief of the Freedmen's. Bureau, if he can find an excuse for so

doing." Upon which the Baltimore Transcript remarks: "We sincerely hope that this rumor may prove true. Howard, in- ranged themselves on the same side. stead of attending to the legitimate duties as head of the Eureau, and making himself acquainted with its workings, gone over to Johnson, while Benjamin and protecting whites and blacks alike, from the extortions of his underlings, has been acting as a peripatetic stump orator for the radicals, and bothering himself about negro suffrage. He is a fanatic who ought to be displaced and helping Montgomery Blair, his old a same man substituted for him."

tien. Howard is not the only sinner. His subordinates, generally, are teachers and preachers of the radical school. The greater portion of the correspondence of the Northern papers denun ciatory of the Southern people and the President's policy is furnished by them. and whilst thus engaged in assisting to keep up Northern prejudices, they also do what they can to cram the negroes head with talse notions of his rights, and equality with the white race. If tien. Howard is removed, all his subordinstes ought to go with him. Nobody, either in the Bureau, or civil, or military life, ought to be retained in responsible positions, whilst endeavoring to thwart the policy of the administra-

Rombardment of Callao, A disputch of the 21st from New York Bays:

The Panama Star and Herald, extra, of

the 13th, has the following : The U. S. flag-ship Vanderbilt and monifor Monadnock streved in the harber of I'anama on the evening of the 12th met., having suited from Cathao on the 34. By these vessels we have news of the result of the hombardment of Calino.

On the 2d, at moon, the action commence from the shore batteries, the fire being is turned by the Berenguals, Villa de Madrie and Blanca, on the northern side, and by the Numancia, Resolucion and Alamara, o the south. The Villa de Madrid and Beren guara wers so budly damaged, early in the aght, that they were obliged to withdraw to San Lorenzo, and they were afterwards to Lowed by the Numaucia and the rest of the flect, all more or less damaged. The Spanish Admiral Mendez is said to have been badly wounded during the en-

gagement. Sener Galasz, Secretary of War,

was killed by the explosion of a battery.

The fight insted until four o'clock in the afternoon, when it terminated by the with drawnl of the Spanish fleet. Very little damage has been done to Callao. Only a few hundred dollars' worth of property is said to have been destrayed, excusive of over the subject. what the batteries suffered. Ten Peruvian are reported killed, and twenty wounded. Nothing reliable has been heard of the loss on the side of the Spaniards, but it is supposed to be very heavy. Owing to the short time which casped between the ternation of the engagement and the deas no further intelligence; nor was it known whether the Spaniards manded to renew the

the 21st, says Gen. Howard is considering the propriety of resigning his position as head of the Freedmen's Bureau. Don't consider, General, but resign at once. "Stand not on the order of your . . going."
